Notes for Volunteers:

Firstly, thank you! Each and every one of you make Saturday racing possible week in, week out. RBCC has a proud history of continually holding racing at Heffron Park every week for over 40 years.

You will receive an email from our Volunteers Co-ordinator, Conor O'Daly several weeks before your rostered date. Your team captain will be copied on this email and you will need to confirm back to them your availability.

If you are unable to make your rostered date (which we fully understand will happen from time to time) we ask that you find a replacement yourself and then advise your team captain.

There are some detailed Volunteer's Instructions that have been created and these are available on the website and will be emailed to you as well.

Again thank you - by donating one afternoon of your time, once a year, you are contributing to the profitability of your Club.

Unless noted next to the date, all races will be in the afternoon. Your team captain will confirm timings but generally a 1.30pm start is necessary to set up the track for racing (Juniors @ 2pm, Seniors @ 3pm).

If it says morning next to your date, then you will be required around 8am to set up for racing to start at approx. 9am.
